

Message from the Principal - Toddlers, Early Years & Primary

Rachel Crossland
Early Years & Primary Principal

Dear Parent/Guardians,

We made it! As we approach the Christmas break, I am struck by the incredible collective spirit that has defined this term; it has been the heartbeat of our school and the reason we have seen such tremendous success in a relatively short window of time.

Our commitment to academic excellence, holistic well-being, and the cultivation of curiosity and passion has remained unwavering, and has underpinned everything, as a community that we have achieved .

It has been a joy to witness the values of values of resilience, empathy, and integrity —woven into the daily lives of our students, and this was perhaps most beautifully illustrated yesterday, as the campus filled with the sounds of laughter and the warmth of families, staff , and students exchanging gifts and well-wishes.

Neil and I sat in the Early Years Playground yesterday morning as the Toddlers and Early years festivities were 'wrapping up' in their 'christmassy classrooms'.

What we saw, heard and felt reassured us both that the mission of this very special school is well underway, and that as a community we are slowly but surely laying down our individual and collective enduring legacy. This week we have been reminded of the profound impact of a supportive environment, which comes from a staff, students and parent body that pulls in the same direction and has mutual trust.

It was touching to see our youngest toddlers depart for the holidays; seeing them walk out with a newfound confidence and a sense of belonging and confidence was so very different from the hesitant steps they took when they first arrived.

This community is truly exceptional, and I want to extend a heartfelt thank you to every colleague, parent, and student for your dedication to making this "work" so seamlessly. We have achieved so much together in such a short time! In January we will return from the break with immense excitement for the milestones we are destined to reach in 2026 and beyond.

Wishing you a wonderful and safe holiday, and see you next year!
