Message from Head of School - March 2026

Dear Parent, Guardians and Students,

I am absolutely thrilled to announce a prestigious new chapter for our sports programme at SBS International School Bangkok. We have officially entered into a formal partnership with Liverpool Football Club International Academy, bringing the world-class coaching philosophy of one of the most historic football clubs in England directly to our campus. This collaboration reflects our commitment to providing our students with extraordinary opportunities that blend elite athletic development with the core values of teamwork, discipline, and ambition.

Through this partnership, LFC International Academy will take the lead in delivering our Football Extra-Curricular Activities (ECAs) and establishing a dedicated Centre of Excellence right here at SBS at the weekends. Students will have the unique chance to learn to play our beautiful game 'The Liverpool Way'. Whether your child is just starting their football journey or is a competitive player looking to sharpen their technical skills, they will be guided by professional coaches trained to foster both individual talent and a deep love for the game.

At SBS International School Bangkok we believe that sports play a vital role in a holistic education, teaching resilience and leadership that translate far beyond the pitch. By hosting a world-renowned Academy on our grounds, we are ensuring that our facilities become a hub for excellence and a premier destination for youth football in Bangkok. We look forward to seeing our students run out onto the field in the iconic red kit, inspired by a global community and empowered to reach their full potential.

A celebratory MOU signing ceremony will follow soon!

With kind regards,

Neil Crossland
