

Message from the Principal - Toddlers, Early Years & Primary

Rachel Crossland
Early Years & Primary Principal

Dear Parent/Guardians,

This week our SBS Bangkok campus has been busy with rehearsals, coming alive with decorations and buzzing with anticipation as we prepared for our first Open House of 2026, which took place yesterday. We welcomed 100's of people to our school who wish to follow in your footsteps and begin their SBS Bangkok educational journey.

Our students showcased their musical talent; stage presence; public speaking skills; and leadership talents by entertaining and guiding our visitors. As our most valuable ambassadors our student volunteers also shared their pride and passion for our school by leading tours of prospective families around our campus.

It was a wonderful occasion and proved that SBS Bangkok really is a 'School with Soul'. Thank you to all of the families and students who supported us yesterday.

This end of week newsletter gives me the opportunity to share with you some of this week's amazing accomplishments....

Toddler Nature Detectives!

Ms Monica

Since the beginning of February, our toddlers have been “Nature Detectives,” and this week they have been practicing their new English vocabulary in their natural surroundings. Our Toddlers were so clever, finding many of the animals and natural elements they have been learning about!

By letting them explore beyond the classroom and into our green spaces the children developed their observation skills, their communication and language, matching skills, comprehension, turn-taking, and confidence. This is another great example of how we bring learning to life at every possible opportunity in the classroom and beyond!

Parent Teacher Conferences

It has been wonderful to see so many of you at Parent Teacher Conferences this week. I have sat in on many of these discussions and have been so impressed by the level of investment and care that our teaching team and you, as parents, have for the children in our community. Thank you for your continued transparency, openness and support as we navigate your child's learning journey together.

Huge congratulations AGAIN to Jaytipat Chatratanamalai (Pat) in Year 4, who recently competed in the Thailand International Mathematical Olympiad Final Round 2025-2026. Pat has become the Champion of Primary 3 with a perfect score. This is an outstanding achievement and we are very proud of Pat!

Bring on the SBS Bangkok Basketball

Mr PJ

SBS U11 TIGERS – BISAL RUNNER-UP!

A proud milestone for our SBS U11 Tigers Basketball Team as they competed in the U11 BISAL (Bangkok International School Athletics League) for the very first time and delivered an outstanding performance!

Our young players faced 8 international schools (SISB, AISB, Anglo, BASIS, Raffles, D-Prep, and Ruamrudee International School) and overcame some stiff and aggressive opposition to advance to the Finals, where they battled bravely against a strong and experienced SISB team. Despite the tough matchup, they showed great heart, grit, and sportsmanship, finishing as Tournament Runner-Up - 2nd place out of 8 schools.

For a young and growing programme, this achievement is a remarkable and proud moment for the entire SBS community. Our players demonstrated resilience, teamwork, confidence, and true Tiger spirit on the court and gained valuable experience that will help them grow even stronger.

A heartfelt thank you to our dedicated coaches, supportive parents, teachers, and staff for your continuous encouragement and support.

The future of SBS Basketball is bright.

SBS Bangkok makes history on the football field

U10 Football: The Journey Begins!

On Saturday, February 14th, our U10 Football team took their very first steps onto the pitch as a competitive squad at the SBS Rangsit Tournament. This was a historic morning for our young athletes. Led by Mr. Simon and backed by Mr. Johan, the team was a determined group of players.

Building a new team from the ground up is never easy, and our players jumped straight into the "deep end." We played three tough matches against established teams. While the scoreboard didn't go our way this time, the spirit on the field was undeniable. Our players:

- Stood proud against tough opposition.
- Kept fighting until the final whistle.
- Stepped out of their comfort zones to represent our school.

Every great team has a "Day One," and this was ours. We are in the very beginning stages of building a competitive football programme. In the years to come, we will look back at this tournament as the founding moment of something much greater.

A huge thank you to all the parents who travelled to Rangsit to cheer us on; your support during these first steps means the world to the players. We also extend our gratitude to SBS Rangsit for hosting us and providing a fantastic environment for our debut.

Well done, U10s! The only way from here is up!

U7 Football: Making SBS History!

Wednesday, March 4, will officially go down in the SBS International School history books. Our U7 Football Team traveled to Bromsgrove International School for our first-ever weekday away sports fixture - a milestone moment for our growing sports programme.

The conditions were arguably the toughest our players have faced, with the sun beating down on what was one of the hottest days of the year. The heat, combined with the "away game jitters," meant the pace was slow and methodical as both teams fought the exhaustion.

Despite a few of our players being slightly under the weather, their dedication to the school was unwavering; they showed up and gave every ounce of energy they had to support their teammates.

A huge round of applause goes to our young pioneers for their incredible effort. We would also like to extend a heartfelt thank you to the parents who traveled to support the team; your presence on a midweek afternoon meant the world to the players. Finally, a special shoutout to our Sports Organizer, Mr. PJ, for his seamless coordination of this historic event, and to Coach Johan for guiding and supporting the team throughout this first away fixture.

While the result wasn't a win on the scoreboard, it was a massive win for our school culture

Well Done Printemps!

I know you will join me in congratulating Printemps (Y3) for her recent success in the JGS First Stage Tour #1 which took place on March 1, 2026 at the Lotus Valley Golf Resort, Chachoengsao. Not only did Printemps win the Class-F Girl event, but she also scored her first-ever Eagle in a competitive tournament - a significant milestone that reflects her growing skill and focus. Like her family we are very proud of the hard work and dedication she has shown to reach this goal.

Global Reef

Artificial Reef Design Competition

Design an artificial reef to support marine life and help protect our oceans.

Things to think about:

- Stable structure** - your design needs to be strong and sturdy. Think about shapes which are wider rather than taller.
- Lots of Coral Space** - the more surfaces and branches your structure has, the more corals will attach.
- Clever Design** - can you include holes, tunnels or spaces for fish and other animals to swim inside and hide?
- Be CREATIVE** - thousands of divers will visit your structure - make it fun, exciting and unique.
- FINALLY** - can you incorporate the school logo into your design?

Launch: Wednesday 11 February

Deadline: Friday 13 March 2026

Your design. A real impact.

The children in Nursery and Reception have been busy getting prepared for their first EVER SBS Sports Day which takes place on Thursday 12 March. A reminder that the Opening ceremony will begin at 8.45am in the Theatre and the event will finish when we find 'Lenny the Lion' which (we hope) will be by 10.30am!

Parents that wish to take children home after the event may do so, but please do let your child's homeroom teacher know before Thursday if you intend to leave school after the event.

Children should wear their House Shirts and parents are encouraged to do the same (either wearing a House Shirt or their House colours).

Parents, this day is for you too, so dust off your trainers and get ready to enter the jungle!

'Pi-rate' Day!

On Saturday the 14th March the whole world will be celebrating Pi Day. Therefore on Friday of this week we will be championing the magical constant of $\pi = 3.14$ across the school. For our younger learners from Toddlers - Year 1 we will have a day with a slightly different 'Pi focus'. Full of sensory and imaginative play - these learners will be celebrating 'Pi-rate Day'! We warmly invite your children from Toddlers to Y1 to dress up as pirates for the day.

This day isn't just about eyepatches and 'Arrrrs' - it is actually an opportunity for deep holistic development. There will be lots of thematic learning, and we will 'hook' children into practicing difficult skills, including vocabulary expansion, narrative skills, positional language, mapping, measurement and counting. We cannot wait to greet your little pirates on Friday!
