

Message from the Principal - Toddlers, Early Years & Primary

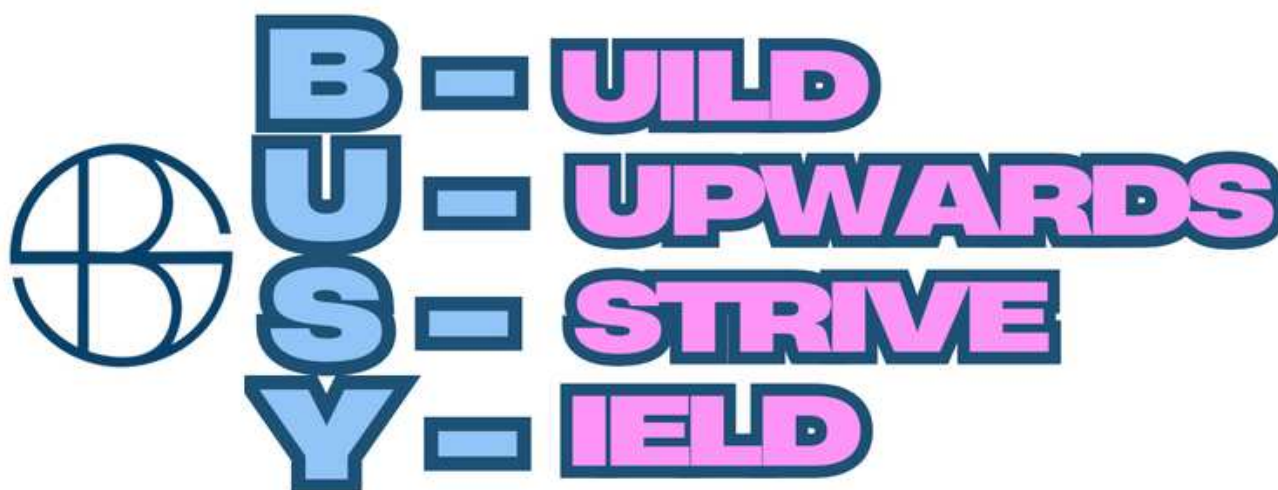

Rachel Crossland
Early Years & Primary Principal

Dear Parents/Guardians,

Welcome back to Term 3 of our inaugural first school year - I hope you had a wonderful and restoring Songkran break with your friends and families. With EIGHT weeks of learning left this year, I truly believe that this term will be our BUSIEST!

When we use the word 'busy', it often loses its real meaning. We are all busy most of the time, but being busy doesn't always mean being productive!

This term SBS Bangkok will be very BUSY, but it will be a place where our students continue to B (build), a place where our community always aims Upwards (U), a place where despite the challenges and barriers our students strive (S) to be the best they can be, and a place where we Yield (Y) amazing results for each and every one of our learners.

People who help us...a word from Ms Gigi

This week the children have been learning about people who help us in our school. They explored the roles of the teacher and the cleaner through discussion and role play, helping them understand how each person supports our daily routines.

On Thursday Nursery B went on a mini-expedition to see our lovely Primary Security guard, Khun Chot. The children visited the school gate and observed how he helps keep our school safe by managing arrivals and departures and supporting everyone as they enter and leave.

And here are Nursery A, jumping into the world of pretend play but learning about real jobs!

This real world experience allowed the children to ask questions and develop a clear understanding of his role. Through this experience, the children are living out our SBS core values of respect, kindness, and responsibility.

They are learning to greet him politely each morning and say thank you, developing the swift soft skills of appreciation for the people who help us in our school community.

What's coming up?

Year 1 & 2 Sports Day
