

Message from the Principal - Toddlers, Early Years & Primary

Rachel Crossland
Early Years & Primary Principal

Dear Parents/Guardians,

This week I have had the privilege of working alongside 2 amazing SBS Bangkok Teams, namely the Year 4 Students and the Year 5 students.

As you may know this week we ventured to Sam Yoi Rot in what for many was their first overnight trip away from home. This experience was rich, rewarding and relentless! It's participants (both staff and students) shone.

They were robust, resilient and resourceful and amazed us at every possible opportunity. I would like to thank the fantastic teaching team that accompanied all of the students over the last week, for their compassion, support and hard work.

Breaking Bread!

This week, our students enjoyed learning the Thai language through a fun and meaningful literature-based learning experience. What began as a small storybook grew into something truly special. By bringing the story to life through hands-on activities, students were able to integrate knowledge and skills from a variety of subjects.

Beyond learning Thai language and vocabulary, students explored the process of making cookies, designed coupons, calculated prices, handled transactions, and practised welcoming and serving customers. Through this authentic learning experience, they developed creativity, communication, problem-solving, and teamwork skills.

Although this was a small classroom project, it received tremendous support from many people. We would like to express our sincere gratitude to our school leaders, teachers, chef team, facilities team, and the students who visited our shop as customers. Most importantly, we would like to thank our parents for generously providing bread, which helped make our bakery shop experience more realistic and meaningful.

Throughout the project, students took on different roles within the bakery and enthusiastically participated in role-play activities. This experience gave them a sense of pride and accomplishment, allowing them to recognize their own strengths and abilities while learning the importance of working together as a team.

We are incredibly proud of our students, who performed their responsibilities in the bakery shop with enthusiasm, confidence, and teamwork. Their dedication and cooperation made this learning experience a wonderful success.
