Bangkok

AN ARTHIT OURAIRAT INSTITUTION

Message from Head of School

Dear Parent/Guardians and the wider school community,

It has been a tremendous start to the new term. Our students and teachers are bedding down after the long summer break - new connections, friendships and learning opportunities are already underway.

Reflecting on our time here fills us with deep pride, which makes sharing this next step in our journey both heartfelt and bittersweet. After seven fulfilling years with the Arthit Ourairat Institution, Rachel and I will be stepping down at the end of this academic year to pursue new professional opportunities. Building SBS Bangkok from the ground up has been one of the most fulfilling journeys of our career. Our school has real soul, shared in the values, traditions, and culture woven into the daily lives of its teachers, students, and community. Rachel and I will leave with immense gratitude for everything we have accomplished together.

Our students continue to inspire us daily with their curiosity, resilience, and kindness. Together, we have strengthened our academic programmes, embedded a strong positive school culture, and built a foundation that positions SBS Bangkok for a truly bright future. None of this would have been possible without your unwavering partnership, trust, and shared commitment to our children's growth.

Change brings opportunity, and I want to reassure you that SBS Bangkok is entering this next chapter from a position of great strength. Our leadership team and faculty are exceptional, deeply dedicated, and well-prepared to maintain our high standards without interruption.

The Board has already begun to outline steps for a comprehensive search process to select the next Head of School in the coming weeks. During this long transitional period over the remainder of the year, my single priority remains to ensure a smooth, seamless handover while continuing to establish and embed our school programmes and vibrant culture.

We look forward to working alongside you now that the new academic year has started.

With kind regards,

Neil Crossland
