Message from the Secondary Principal

Gary Crumbie
Secondary Principal

Dear SBS International School Bangkok Families,

Today marks World Kindness Day, and it has been wonderful to see so many thoughtful gestures and acts of generosity taking place across our school. This spirit of giving ties directly into our students' November Challenge, where they are striving to complete 30 different acts of kindness throughout the month. Keep up the fantastic momentum!

Building on our theme of community support, we were privileged to welcome Greg Lange and Friso Poldervaart from the Bangkok Community Help Foundation as our guest speakers this week. They shared inspiring insights into the vital work their organisation does to support local communities in need.

Their visit also served as the official launch for this year's Christmas Appeal. Following the tremendous success of last year's Shoebox Appeal, we are excited to get on board with a new charity and with your generous support, we aim to surpass last year's achievements. More details on how families can contribute and get involved can be found later in this edition.

This week, our students have been busy reflecting on their learning journeys and providing constructive feedback to their teachers across all of their classes. It has been an overwhelmingly positive experience for students and staff alike. Our students have truly stepped up as champions of their teachers, sharing thoughtful appreciation alongside valuable insights into how they are feeling and progressing in their lessons. This open dialogue is a wonderful way for our teaching team to reflect on student experiences and continue tailoring their classroom environments to help everyone thrive.

We are delighted to invite our Year 9 parents to our upcoming IGCSE Parent Workshop taking place on **Wednesday 25th November.** An informative session has been designed to help you and students navigate the IGCSE curriculum, subject choices, and future academic pathways. We will be joined for the day by Jeff Chelin, University Counsellor from the British International School Phuket. Look out for the sign-up link later on in this week's newsletter.

As you will see later on in this edition, our basketball teams have been putting in tremendous effort and showcasing great sportsmanship on the court. A huge congratulations to all our student-athletes and coaches for their dedication, teamwork, and impressive performances.

Remembrance Day 2026

Mr Crossland hosted our special Remembrance Assembly this year, sharing the importance of the poppy and why we commemorate each year. The assembly was a sombre one, where students were asked to compare the two images below:

Students responded 'it looks like the same place' and 'they were taken during the First World War'.

However, we learnt the image on the left was from the front line in 1914 whereas the photo on the right was taken just a week ago in Ukraine. Separated by more than a century, these two images from World War I and the war in Ukraine serve as a haunting reminder that it is hard to escape the sobering truth that a century of progress has not taught us how to leave the horrors of war in the past.

"The Quiet Room of History"

Every November, we are asked to step out of our loud, fast-moving world and step into a single minute of absolute silence. For a teenager today, sixty seconds can feel like an eternity if you're waiting for a video to load or a text to send. But on Remembrance Day, that minute is a doorway. It is a quiet room in history where we go to meet the people who came before us.

If you look at the old photographs from the World Wars, or the digital profiles of modern peacekeepers, you will notice something striking: so many of those faces look exactly like ours. They were eighteen, nineteen, twenty years old. They had favourite songs, unfinished arguments, inside jokes with their friends, and big, messy plans for the future. They didn't want to become heroes on a monument; they just wanted to come home.

When we stand in silence, we aren't just remembering a list of dates in a history textbook. We are remembering that our ordinary, everyday freedoms, the right to speak our minds, to choose our paths, and to live without fear, were paid for by young people who gave up all of their tomorrows so we could have our todays.

They handed us a torch. Remembering them means keeping that torch lit. It means choosing kindness over cruelty, understanding over hatred, and peace over conflict in our own schools, communities, and lives.
We promise to remember them, not just by standing still for one minute, but by making our lives worthy of the sacrifice they made.

Drama

Year 7
This week, students explored dialogue and character voice, learning how the way a character speaks can reveal their personality, emotions, and relationships. Through improvisation, paired activities, and short scripted exchanges, students experimented with vocabulary, tone, and delivery to create distinctive and believable characters. The focus was on developing confidence, creativity, and effective communication through performance.

Year 8
Students investigated subtext in dialogue, discovering how characters often communicate feelings and intentions without expressing them directly. Through practical acting exercises and short performances, students explored how facial expressions, body language, pauses, and vocal delivery can reveal hidden meanings beneath ordinary conversations. These activities encouraged students to think more critically about character motivation and the importance of nonverbal communication.

Year 9
This week, students continued developing their performance skills by exploring subtext and dramatic intention. Students examined how actors communicate a character's underlying objectives through dialogue, movement, and interaction. Through improvisation and short performance challenges, they experimented with different interpretations of the same scene, discovering how subtle changes in delivery can completely transform an audience's understanding of a character.

The Christmas Express – Casting and Rehearsals

Exciting preparations are underway for our upcoming Christmas production, **The Christmas Express: A Yuletide Adventure Around the World!** Our four leading roles have now been cast, bringing together a talented group of students who will guide audiences through a festive journey across different countries and Christmas traditions. Rehearsals officially begin this week, as our young performers start bringing the characters, dialogue, and story to life. We look forward to sharing more updates as the production takes shape ahead of our performance on **9 December!**

Mandarin - Christmas Travel Planning – From Individual Creativity to Team Challenge

Following the successful Year 8 Christmas Holiday Travel Plan presentations, with Year 9 students and three Mandarin teachers in the audience, our Year 7 students also completed their individual presentations last Friday. Across three language proficiency levels, we selected three winners from each year group, who will be recognised and celebrated at next week's assembly. Congratulations to all our participants!

Meanwhile, our Year 9 students have started an exciting team challenge this week. Five teams have set up their own travel agencies, each promoting and selling a special Christmas travel package featuring a different Chinese destination: Beijing, Shanghai, Chengdu, Inner Mongolia and Harbin.

To bring the challenge to life, we invited highly proficient Year 7 Mandarin speakers to act as customers, while Mandarin teachers served as judges and other Mandarin students joined as the audience. The first round took place at the Mandarin Coffee Shop on Wednesday, where each team showcased the unique attractions, local food, cultural experiences and travel packages of their chosen destination. The second round will take place during Friday's Mandarin lesson.

Beyond the presentations themselves, what has inspired us most is the students' initiative and commitment. Some teams independently organised weekend meet-ups at cafés to work on their projects together. They shared ideas, designed creative materials, developed their presentations and invested considerable time and effort in bringing their agencies to life.

It has been wonderful to see their intrinsic motivation, independent learning, teamwork, creativity and sense of responsibility in action.

We are incredibly proud of our students, not only for their progress in Mandarin, but also for the enthusiasm, initiative and collaborative spirit they have demonstrated throughout this journey. Their passion for learning and willingness to go the extra mile are truly worth celebrating!

ESL

Years 8 and 9
This week, Years 8 and 9 ESL students concluded Unit 2, Clean and Green, by completing their summative assessments and demonstrating their understanding of the vocabulary, grammar, and language skills developed throughout the unit. Students will then begin Unit 3, Transportation, exploring different modes of travel and discussing how transportation influences our daily lives. Through vocabulary-building exercises, reading activities, and interactive discussions, students will develop their communication skills while examining the advantages and disadvantages of different forms of transportation.

Thai Language

Year 7
This week, students learned about Royal Vocabulary (คำราชาศัพท์), the special words used when referring to members of the Thai Royal Family. We explored current news about King Rama X and the Queen, including the Royal Barge Procession, during which Their Majesties travelled by royal barge to present royal Kathin robes to Buddhist monks at Wat Arun.

This provided an opportunity for students to learn Thai royal vocabulary through real-world news. They also enjoyed practising and learning new words through fun vocabulary activities.

Year 8
This week, Year 8 students practised listening comprehension through the topic Thailand's Cold Season. They answered questions, shared their opinions, and wrote summaries based on what they had listened to. They also presented their summaries to the class. Students showed good progress in their writing skills and were well-prepared and enthusiastic about speaking in front of their classmates. Bravo, everyone!

Year 9

This week, Year 9 students developed their listening comprehension skills through the topic Influenza. They practised listening for key information, answering questions, and analysing what they listened to. Students also explored different perspectives, expressed their opinions in writing, and shared their ideas with the class. These activities helped strengthen their critical thinking, writing, and speaking skills while building their confidence in expressing their views in Thai. Great effort, guys!

PE

It has been another active and energetic week in Year 7 PE!

As has become our routine this term, every lesson kicked off with 5–7 minutes of skipping practice. Students are working hard to build their stamina and speed as they aim to beat their initial benchmark scores during our second fitness test at the end of the term.

In our first session of the week, we wrapped up our chair ball unit with a spirited, final competitive match. The teamwork and strategy on display were fantastic to see. From there, we transitioned into our new unit: handball. Students focused on developing their fundamental passing skills before putting those techniques to the test in an intra-class practice match. Next week, we will organise official teams for a mini-tournament of proper handball games before moving on to ultimate frisbee.

Finally, a special shoutout goes to Melbourne, who took a knock this week and needed a few stitches inside his mouth. Injuries are never fun, so the whole class is thrilled to see him back at school and making a speedy recovery!

Basketball

U13 Boys Basketball | Winning Start to the Season!
SBS Bangkok 53 – 21 SISB Thonburi

Our SBS Bangkok U13 Boys Basketball Team kicked off their BISAL Super League season with an impressive 53–21 victory over Singapore International School Bangkok (SISB) Thonburi Campus on Wednesday, 4 November.

The Tigers delivered a strong team performance, showing excellent teamwork, determination, and fighting spirit throughout the game. The boys played with confidence, supported one another, and demonstrated great energy on both ends of the court to secure a convincing victory in their season opener.

A huge thank you to our SBS Bangkok community, parents, teachers, and students for coming out to support and cheer on our team. Your encouragement and school spirit created a fantastic atmosphere and motivated our players throughout the game.

SBS Tigers Make Their Mark in First-Ever FOBISIA U13 Basketball Tournament

SBS Bangkok International School proudly finished 10th out of 16 participating international schools in its first-ever FOBISIA (Federation of British International Schools in Asia) U13 Boys Basketball Tournament, held at King's College International School Bangkok from 5–7 November 2026. This was an important milestone for our young and growing school, providing our students with a valuable opportunity to compete against some of the most established international schools in Thailand and across Asia.

Day 1 – A Memorable Start
Our SBS Tigers opened the tournament with an impressive 53–35 victory over Wellington College Bangkok. It was a fantastic start and a memorable first win in our school's FOBISIA journey.

Day 2 – Tough Battles and Valuable Lessons
Day 2 began early, with our players arriving at 6:15 AM for their 7:00 AM game against Amnuay Silpa School. Despite a determined effort, our boys fell short, losing 50–43.

In our second game of the day, we faced Bangkok Patana School in a thrilling contest. Our Tigers fought until the final seconds but suffered a heartbreaking 31–30 defeat.

Finishing the group stage with one win and two losses meant we missed out on the quarterfinals and moved into the 9th–16th place classification games. However, our boys responded positively, securing a convincing 37–22 victory over Klass A School from Malaysia, keeping our hopes of a strong tournament finish alive.

Day 3 – A Strong Finish
The final day began with one of our team's best performances of the tournament.

Facing Harrow International School Bangkok at 7:30 AM, our Tigers displayed excellent teamwork, determination, and composure to secure a thrilling 44–38 victory.

This important win earned us a place in the 9th-place classification game against Singapore International School of Bangkok (SISB) Pracha Uthit, a team that finished fourth in last year's FOBISIA U13 tournament. Our boys once again gave their best against strong opposition. Despite a competitive performance, we fell short, losing 51–41. With that result, SBS Bangkok finished 10th out of 16 schools, recording three wins and three losses in our first FOBISIA appearance.

More Than Just Basketball
Participating in FOBISIA for the first time was a wonderful learning experience for our students. Beyond the results, our players gained valuable exposure to a higher level of competition, developed their confidence, and learned important lessons about teamwork, resilience, sportsmanship, and perseverance.

It was also encouraging to see coaches and parents from other participating schools showing interest in SBS Bangkok and asking about our school. As a relatively new international school, opportunities like this help us build connections and gradually put SBS Bangkok on the map.

As their coach, I am extremely proud of how our boys represented our school throughout the three-day tournament. We still have plenty to learn and improve, but their effort, commitment, and positive attitude were truly encouraging.

We would like to sincerely thank our school leadership, teachers, parents, and the entire SBS community for providing our students with this opportunity and for their continued support of our growing sports programme.

This is just the beginning of our FOBISIA journey, and we look forward to more opportunities for our students to learn, compete, and grow.

Well done, SBS Tigers!

BISAL U13 Girls Tournament

Last Saturday, our U13 Girls Tigers proudly represented SBS at the BISAL Basketball Tournament hosted by Basis International School.

In our opening game against Wycombe Abbey International School Bangkok, the Tigers secured a fantastic victory! Our girls demonstrated excellent teamwork and strong defensive skills, working together to execute an effective half-court defence. We made it difficult for our opponents to find opportunities to shoot, showing great determination and discipline throughout the game.

In our second and third games, we faced two strong teams, TSIS and TSI. Their players were taller and physically bigger, presenting a tough challenge for our girls. However, our Tigers never backed down. They continued to fight until the final buzzer, showing courage, resilience and determination.

Although we did not win our second and third games, our girls never gave up. They continued to support one another, maintain a positive attitude and demonstrate the true spirit of sportsmanship.

We are incredibly proud of our U13 Girls Tigers for their hard work, teamwork and fighting spirit. They showed that being an SBS Tiger is not just about winning, but also about courage, resilience and never giving up!

Once a Tiger, Always a Tiger!

U13 Boys BISAL League Game against Anglo Singapore 64

SBS Tigers vs Anglo Singapore

It was a great and closely contested game against Anglo Singapore last Monday. Although the SBS Tigers came away with a loss, the team showed great effort, determination, and fighting spirit throughout the match.

We made a strong start in the first quarter, playing with good energy and confidence. The game remained highly competitive, with both teams battling hard for every possession. We continued to put up a strong fight in the third quarter, keeping the game close and refusing to give up.

Unfortunately, Anglo Singapore managed to pull ahead as the game progressed, especially in the third and fourth quarters. However, the SBS Tigers never backed down and continued to fight until the final buzzer.

Despite the result, there were many positives to take away from this game. The players showed teamwork, resilience, and a great attitude on the court. Every game is an opportunity to learn, improve, and grow stronger as a team.

Keep your heads up, Tigers! We take the lessons from this game, keep working hard, and come back stronger. The fight continues!

SBS Tigers U15 Boys Remain Unbeaten After Dramatic Buzzer-Beater Victory!

On Wednesday, our Tigers secured a thrilling 47–46 victory over Bangkok Bilingual School (BBS) in a fiercely contested BISAL Super League away fixture, demonstrating exceptional determination, teamwork and fighting spirit.

Facing a taller and physically stronger opposition, the Tigers made a confident start, taking an early 10–6 lead in the first quarter. However, BBS fought back and kept SBS trailing for much of the match.

Despite the pressure, our boys never lost belief. They continued to battle for every possession, showing remarkable resilience, composure and determination until the very final seconds. With the match hanging in the balance, Otto (Year 9) stepped up and scored a sensational buzzer-beater to seal a dramatic 47–46 comeback victory! It was a truly unforgettable moment for our players, coaches and supporters.

This remarkable result extends the Tigers' unbeaten record to three wins and no losses (3–0) in the BISAL Super League, marking another significant achievement for our developing basketball programme.

What made the occasion even more special was the tremendous support from our SBS basketball families. The parents of every player travelled to support the team, cheering enthusiastically throughout the match and creating a fantastic atmosphere. Their presence and encouragement reflected the strong sense of community and togetherness that makes SBS Bangkok International School so special.

Beyond the final score, this match highlighted the important values we strive to develop in our young athletes: perseverance, teamwork, confidence, resilience and the determination to overcome challenges. Congratulations to our U15 Boys Basketball Team and coaches on this outstanding performance. We are incredibly proud of the way our Tigers represented SBS Bangkok International School, both on and off the court.

A heartfelt thank you to all our parents and the wider SBS community for their continued encouragement and support.

Final Score: SBS Tigers 47 – 46 Bangkok Bilingual School

BISAL Super League Record: 3 Wins | 0 Losses — UNBEATEN!

World Kindness Day comes to SBS Bangkok

20K SMILES - Christmas Appeal 2026

It was a pleasure to welcome Friso and Greg from Bangkok Community Help Foundation into school this morning to launch this year's Christmas Appeal. Students learnt about the organisation and the work they carry out in some of the poorest communities here in Bangkok.

The Bangkok Community Help Foundation were also this year's recipients of our cereal box donations.

Thank you to all of you who contributed to this year's campaign.

To find out more about the organisation click - here

OUR CHARITY PARTNER
Bangkok Community Help Foundation

CHARITY GIFT DRIVE

FOR AGES 4–13

20K Smiles

Give a wrapped Christmas gift to a child in need

20,000 CHILDREN

Every gift goes to the **Bangkok Community Help Foundation's 20K Smiles** Christmas appeal for children from lower-income communities across Bangkok.

Making a difference is easier than you think.

3 ways to give — *then wrap it!*

1. **Clear out** — Unwanted children's toys from playrooms and bedrooms
2. **Buy new** — Pick out a brand-new toy for a child
3. **Fill a shoebox** — New and/or second-hand toys, just like last year

Label every gift: Boy or Girl · Age (4–13 years)

YES PLEASE
- Toys & games
- Clothing
- Toiletries — toothbrush, toothpaste, soap

NO THANKS
- Food items
- Books — the charity already has plenty

DROP OFF FROM
Mon 16 Nov
Wrapped gifts go on your house table in the EY playground

A warm welcome to SBS

My name is Karl Arizo, and I am originally from the Philippines. I am joining the Athletic Department as a Teacher Assistant, Lifeguard, and Sports Coach, bringing a strong commitment to student safety, physical fitness, and athletic development.

I am passionate about helping students build essential skills, teamwork, and confidence through sports in a supportive and engaging environment. Whether on the field, in the gym, or by the pool, I look forward to contributing to our school community and inspiring a positive, disciplined approach to athletics and life.

IGCSE Parent Workshop

You are warmly invited to attend our **IGCSE Parent Workshop** taking place on **Wednesday 25th November**

We will be joined by Jeff Chelin - University Counsellor from our sister school British International School Phuket - who brings a wealth of knowledge and years of experience advising students across Secondary schools.

The Parent workshop will run from **8:30-9:30AM**

Jeff and Mr Crumbie will then be available throughout the day if you wish to make a 1:1 meeting to ask any specific questions. Students will be permitted to come out of lessons to attend these meetings.

To allow us to coordinate, please complete this form to share your intent to join the workshop and with an option for you to sign up for a 20 minute 1:1 meeting with Jeff and Mr Crumbie.

Congratulations

Meya (Y8) participated in Azul Fest Thailand 2026 (Hammock category) at D-Prep International School where she was awarded the Gold Medal for her performance and also featured on four LED screens at Iconsiam! What an amazing accomplishment - well done Meya.

Homework Schedule

To prevent students from becoming overburdened with homework on certain days, we have come up with the following schedule.

We Want to Listen

Following the recent meetings with Mr Duke Theerathada (AOI Chief Brand Strategist), we want to continue listening to your feedback. If you would like to discuss any matters related to the Secondary School, please contact the School Manager to arrange a meeting.

Upcoming Events

Next Week

- **Saturday 14th November** - U13 Boys Youth Basketball Thailand Tournament 8:00 am - 1:00 PM | @SBS Bangkok
- **Monday 16th November** - Christmas Appeal 2026 starts - '20K Smiles'
- **Monday 16th November** - Active8 Term 2 choices open

Sports Fixtures

- **November 16th (Monday)** - U13 Girls Basketball vs Australian International School Bangkok | 3:30 PM | @SBS Bangkok Sports Hall
- **November 18th (Wednesday)** - U15 Boys Basketball vs SISB Thonburi | 3:45 PM | @SBS Bangkok Sports Hall
- **November 20th (Friday)** - U15 Boys Basketball @Anglo Singapore International School Sukhumvit 64 | 4:00 PM | @Anglo SIngapore International School Sukhumvit 64
- **November 21st (Saturday)** - U9 BISAL Football Tournament at Basis International School | 8am - 1:00 PM

Looking Ahead

- **Tuesday 24th November** - Loy Krathong
- **Wednesday 25th November** - IGCSE Parent Workshop - 08:30 Secondary Theatre
- **Friday 27th November** - Red Tigers Birthday
- **Saturday 28th November** - Open House
- **Thursday 10th December** - Half Day Finish at 12.00pm (Secondary)
- **Friday 11th December** - Staff INSET Day (no school for students)

Reminders

Celebrating Children's Birthdays

It is lovely to celebrate individual children's birthdays and parents are often very generous in providing 'class goodies'. However, we must ensure that any food items do not contain potential allergens, and are restricted to simple cakes or cookies - **no fried chicken, steak or hot food deliveries** please!!

Closing Note

As we wrap up a week defined by reflection, generosity, and school spirit, I want to thank our entire SBS Bangkok community for making our campus such a supportive place to learn and grow. Whether it was standing together in stillness for Remembrance Day, cheering our Tigers on from the sidelines, or preparing to bring joy to local children through our 20K Smiles Christmas Appeal, our students continue to make us proud.

Don't forget that gift drop-offs for the Christmas Appeal begin this Monday 16th November, and Active8 Term 2 choices open on the same day. Thank you once again for your ongoing partnership and encouragement. I wish all our families a restful, kind, and joyful weekend ahead.

Warm regards,
Gary Crumbie
